## Weaving & Spinning Samples

Pikes Peak Weaving Guild Newsletter needs samples for 2008 year.

Please sign up for weaving and/or spinning samples by emailing to Heather Hubbard at [calhjh@gmail.com](mailto:calhjh@gmail.com)

Remember, two 6" samples are due, early in the month before the one for which you sign up (see below). The samples, a draw down of the weave, and description of the weave or spinning are to be delivered to the PPWG Librarian to placed into a sample notebook in the PPWG Library.

Please email your draw down (a .wif file) to Jane Rock at [PPWGuild@aol.com](mailto:PPWGuild@aol.com) as well as a textual description of your weaving and spinning sample in a text file of .doc or .txt format, no .pdf format please as it can't be edited by Jane for the newsletter.

Please mail a sample, or give one scanned image of your sample to Jane in time for the sample to be included in the newsletter.

Thank you for your contribution to the Guild.
