

Sample Schedule for 2008-2009

We need volunteers for weaving, dyeing, and spinning samples for the newsletter for the months below. At the August Board meeting, the board decided to also add dyeing samples for the newsletter. Hopefully we will always have a weaving sample and/or spinning/dyeing sample for each newsletter. To sign-up, please email (lindalshaffer@msn.com) or call (719/684-2212) Linda Shaffer.

For weaving, we need two (2) samples (6" x 6" minimum, 8" x 10.5" maximum). For spinning we need two (2) samples which need to be butterflies approximately 4 yards long. Dyeing samples may be on fiber or handwoven cloth. So the size of the sample will depend on the media.

Jane Rock or Doreen McLaughlin will be scanning the samples for the newsletter. These need to be delivered to one of them at the meeting the month before they are to appear in the newsletter or mailed to her. After scanning, they will bring the samples to the guild meeting to be placed in the sample notebooks in the library.

Your weaving and spinning descriptions need to be mailed or emailed (doreen@divide.net) to the newsletter editor, Doreen McLaughlin. Linda will print the descriptions from the newsletter for the sample notebooks in the library. If you have other information for the sample notebooks, please give it to Linda at a meeting.
