

## Notes from the President by Beverly Weaver

I would like to thank Helen Bressler who has offered to help Doreen McLaughlin with the guild display tables for Colorado Weavers Day (CWD). We will have two tables, so we will need items from as many members as possible. The items should be hand-spun, hand-dyed or hand-woven or a combination of these techniques; most baskets would fall into the 'hand woven' category. It would be best if the items were completed since the last Colorado Weavers Day (May, 2010).

Helen has suggested that we might want to collect all the pillows from the 'pillow fight' exchange in May to be displayed together on one of the tables. If you can leave your pillows with Doreen or Helen after the May meeting, that would make it possible for us to display our 'challenge' results to the CWD attendees.

There will be awards given at CWD for individual pieces on the guild tables. The awards will be in various categories as well as People's Choice awards. For example, PPWG is sponsoring the Pikes Peak Weavers Guild Juror's Choice Award for \$150 to be awarded for excellence in weaving, spinning or dyeing or a combination of those techniques. At the last CWD, there were some awards given for specific materials, such as 'recycled' or 'new age' materials. Because of these awards, each piece on the guild table should have a label with the artist's name, the title or a number to identify the piece and a brief description of the materials and techniques used.

I hope we will have a large showing of items on the PPWG table at CWD and that many of our members will be able to attend. It looks like there will be some excellent speakers, and it is always a great chance to meet people from other parts of the state.
