

January Program by Ellen Alderson

In January our guild will host Susan Wilson for a program: **One Warp - Many Fabrics - Treating Variations** followed by a miniworkshop: **Designing Multishaft Crackle - More than Four**. Several members of our guild are familiar with Ms. Wilson and her work and highly recommended her for a presentation for us.

From her website: "**Susan Wilson** received the HGA Certificate of Excellence in Handweaving, Master Level, in 1990, with a specialty in crackle weave. Her work has been published in *Weaver's*, *Handwoven*, *Complex Weavers Journal*, and *Shuttle Spindle & Dyepot* magazines, and her crackle sample was featured on the cover of *A Weaver's Book of 8-Shaft Patterns* edited by Carol Strickler. She has lectured and taught workshops throughout the U.S. and at several Convergences and regional conferences. A weaver for 40 years, Susan enjoys pattern weaving, sampling to explore woven structure, and creating household textiles and clothing accessories. Susan's book, *Weave Classic Crackle and More*, is eagerly awaited by her students. Publication is anticipated in 2011."
