## Living with Beauty: Handwoven Textiles for the Home

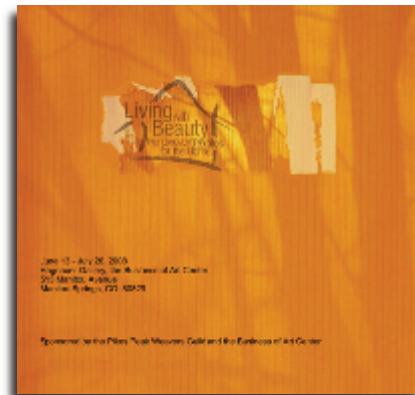

Names of accepted entrants into Living with Beauty: Handwoven Textiles for the Home will be on the PPWG web site on June 13, the day of the exhibit opening. The juror, Betsy Blumenthal, has requested that the artists' names remain anonymous until she sees the exhibit and selects the award winners. Everyone is invited to the opening at the Business of Art Center on Friday, June 13 from 5 to 7 p.m.

PPWG members who pre-ordered their catalogs will be able to pick them up from Susan and Beverly. The catalogs will be available at the opening night of the show.

No catalogs will be mailed to members. However, after the opening of the show, information on how to order a catalog online will be available on the PPWG website. The

total cost for a catalog ordered online will be slightly higher due to shipping costs.

## PPWG June Library News

PPWG Library News - June, 2008

We would like to thank Doreen McLaughlin for donating *The Big Book of Weaving* by Laila Lundell and Elisabeth Windesjö to the library.

We will be binding 2 years of *Spin-Off* magazine and 2 years of *Handwoven* magazine during the summer.

Binding the magazines helps us keep all the issues available for future use. Single issues have a greater tendency to disappear.

Jane Rock, Sandy Hutton and I will be sharing the library tasks next year, including doing a physical inventory during the summer months. Please keep us informed about items you think we should add to the library.
