

## Sample Schedule for 2009-2010

We need volunteers for weaving, dyeing, and spinning samples for the newsletter. Hopefully we will always have a weaving, spinning, and dyeing sample for each newsletter. As you can see there are still some holes left in the sign up sheet. If we don't have volunteers, then won't have samples that month. If you would like to volunteer please let Robin Wilton know ([weavinglady@aol.com](mailto:weavinglady@aol.com)).

For weaving, we need two (2) samples (6" x 6" minimum, 8" x 10.5" maximum). For spinning we need two (2) samples which need to be butterflies approximately 4 yards long. The two (2) dyeing samples may be on fiber or handwoven cloth. So the size of the sample will depend on the media.

Doreen McLaughlin will be scanning the samples for the newsletter. These need to be delivered at the meeting the month before they are to appear in the newsletter, or mailed to her. After scanning, she will bring the samples to the guild meeting to be placed in the sample notebooks in the library.

Your weaving, spinning, and dyeing descriptions need to be given, mailed, or emailed to the newsletter editor, Doreen McLaughlin ([doreen@divide.net](mailto:doreen@divide.net)). Robin will print the descriptions from the newsletter for the sample notebooks in the library. If you have other information for the sample notebooks, please give it to Robin at a meeting.
