

Northern Lights

The Northern Lights Group will not meet over the summer as the Woodmoor Barn will now only allow residents 2 free hours every quarter.

A new facility search will be conducted over the summer, and meetings will resume in the fall.

December Sale Committee Report by Deb Lane

The PPWG Sales Committee will hold its first meeting on Wednesday, May 26, at 5:15 PM, at 1912 West Colorado Avenue (same location as the annual sale will take place). If you are interested in becoming involved in helping the sale get off the ground but are unable to attend this meeting (an email was sent to all active PPWG members earlier), please contact Deb Lane. If you don't feel you know "enough" to be on a committee, rest assured the learning curve is very small (if I can figure it out, so can you!) ... and we would love to have you as a member of the sale committee.

Sheep Is Life Festival

For those of you who are looking for fun things to do this summer, you might want to plan on a fiber-licious trip to northern Arizona to soak up the sights, scents, and sounds of the 14th Annual *Sheep Is Life Festival* in Tsaile, AZ, June 14-19, 2010. 11 workshops will be given on various subjects at Dine College in Tsaile, beginning June 14. On Friday and Saturday, June 18 and 19, a public festival will take place at the Rodeo Grounds, 9 a.m. to 5 p.m. each day. Vendors, food booths, roundtable discussions, and weaving, spinning, dyeing, and sheep care demonstrations will entertain and inform festival goers. Two shows will be conducted, and all fiber artists are welcome to enter. Friday's show, a **Contemporary Fiber Arts Show and Sale from 3-9 pm**, will include many creative, contemporary submissions, and artists will be there to talk with. On Saturday, the **Juried Navajo Rug Show and Sale** will include 100% wool rugs by Navajo artists. The non-profit Navajo Lifeway (Diné be' iiná, Inc), which promotes weaving, fiber and sheep culture within the Navajo Nation, sponsors this festival. Please visit www.navajolifeway.org for details of the workshops, weekend festival, and show entries. Tsaile is just north of the fabulous Canyon de Chelly, a beautiful place in it's own right as well as an important historical location to the Navajo people. Make a trip of it and enjoy the Beauty that the Navajo Nation has to offer.
