

## Sample Schedule

We need volunteers for weaving, dyeing, and spinning samples for the newsletter. Hopefully we will always have a weaving, spinning, and dyeing sample for each newsletter. As you can see there are still some holes left in the sign up sheet. If we don't have volunteers, then we won't have samples that month. If you would like to volunteer, please let sample chairperson know.

For weaving, we need two (2) samples (6" x 6" minimum, 8" x 10.5" maximum). For spinning we need two (2) samples which need to be butterflies approximately 4 yards long. The two (2) dyeing samples may be on fiber or handwoven cloth. So the size of the sample will depend on the media.

The newsletter editor needs digital photos of the sample for the newsletter. Please save the photos in .jpg format and e-mail them to [editor@pikespeakweavers.org](mailto:editor@pikespeakweavers.org) . If you do not want to take the digital photos yourself, please give or send the samples to the newsletter editor to take the photos. Please contact the newsletter editor to make arrangements for the photos.

Your weaving, spinning, and dyeing descriptions need to be given, mailed, or emailed to the newsletter editor, at ([editor@pikespeakweavers.org](mailto:editor@pikespeakweavers.org)). The sample chairperson will print the descriptions from the newsletter for the sample notebooks in the library. If you have other information for the sample notebooks, please give it to the sample chairperson at a meeting.
