

## PPWG Library News

By Beverly Weaver

Special thanks go to Becky Chapin for donating *All About Angora Goats and Mohair*, by E. Dean Edwards, which can be found in with the spinning books.

The library inventory was completed during the summer, and a list of all materials will be posted on the web site and printed on paper for display in the library. Our library has an amazing assortment of magazines, books and samples and is a great asset to our members.

The following items were listed in our inventory, but we do not have the book or a card in the 'check out' box. If all members will search their shelves to see if they might have one of these books, it would be appreciated.

- Alderman, Sharon D., *Mastering Weave Structures*
- Davenport, Betty Linn, *Hands on Rigid Heddle Weaving*
- Inouye, Bonnie, *Exploring Multishaft Design*
- Khmeleva, Galina, *The Gossamer Webs Design Collection: Three Orenburg Shawls to Knit*
- Van der Hoogt, Madelyn, *Handwoven's Design Collection #18*

## In Memoriam: *Margaret Rex*

Margaret was a beginning weaver, having taken a beginning weaving class offered by Green Valley Weavers about a year and-a-half ago. She attended numerous guild meetings and was an active participant in the Beginning Weavers Study Group. Margaret always had a kind word and a smile for everyone. She opened up her home as a meeting place for the Beginning Weavers Study Group shortly after its inception. Those of us who knew and loved her will miss Margaret greatly.

## October Spinning Sample

By Helene Charles

The yarn is a two ply yarn from Cormo cross which I got from another shepherdess in Arizona where we are from. After setting it, I hand painted it using kool-aid dye (berry blue, cherry, iced blue, punch and black cherry). A little footnote: I entered it for the open class in the Teller County fair and won first place (blue ribbon).
