## *Preparing for Your Art Career: Competitions, Galleries, Museums, & Beyond*

Presented by Jennifer Falck Linssen

October 14, 2011 from 1 – 4pm

### Mini Workshop:

Are you interested in showing your work? How about selling your artwork? Would you just like to know when or if you are ready for all of this? Jennifer will talk about setting goals and the options for showing and selling your artwork. You will learn how to present your work to galleries and museums, how to write that dreaded cover letter, assemble your resume, and write the artist statement. She will discuss photography, marketing materials, and writing proposals. You will learn ways to get your foot in the door at museums. This mini-workshop will include an informal talk with handouts. And afterward there will be an optional one-on-one paperwork (artist package/portfolio) review where Jennifer will discuss with you how you might improve the packets and information you send out to galleries.
