

Major Weaving Workshop

It's in the Warp: Color and Design in Rep Presented by Rosalie Neilson

The workshop dates are January 10, 11, 12, 2012 at Penrose House. This workshop will be for 4 or 8 shaft looms. There will be four stripe combinations for 4 shaft weaving and sixteen different strip combinations in 8 shaft weaving. This is not a round robin workshop. Go to her website: <http://rosalieneilson.com> to learn more about Rosalie's work. We are fortunate to be able to schedule such a well-known presenter. Rosalie is an expert in both rep design and the use of color. The workshop is limited to 15. You may add your name to the list by contacting workshop chairs, Emily Jones (mikegone98@aol.com) or Linda Shaffer (lindalshaffer@msn.com). Your deposit of \$90 will be due at the September guild meeting. The final cost of the workshop will be determined later.

Library News by Debra Scott

Two new books have been added to the Guild Library. We would like to thank Joanne Hall for the donation of her book "Learning to Warp your Loom". Joanne's donation was made in honor of her good friend, Siv Nelson. Also added to the library: "Silk Paper" by Sarah Lawrence.

Total Funds (checking plus savings plus Vanguard)-----		19,758.11

Advertising Corner

I would like to take this opportunity to give a big thanks to our advertising patrons for the 2011-2012 guild year.

We have three returning businesses: Green Valley Weavers and Knitters, Table Rock Llamas, and Shuttles, Spindles and Skeins.

We are also welcoming three new businesses: White Rabbit Beads, The Yarn Outlet, and LadyBug Hill Quilts.

Let's show our support to all these businesses by supporting them in our community. Remember to log onto their web links and see what is new and happening in their stores. When you are in their stores let them know you are a PPWG member.

Thank you,
Emily Jones

PPWG 2010-11 Financial Audit

An audit of the Pikes Peak Weavers Guild financial books was conducted on July 26, 2011 by Sandra Hutton and Debra Scott. The method used for the audit was to compare bank statements, computer records, and checkbook records. The auditors were satisfied that all funds had been accounted for properly.
