

Notes from the President by Susan Bowman

Hard to believe that September is already upon us. It's been a busy summer that flew by while I tried to cram in as much weaving and dyeing as possible. I hope you've had some great fiber experiences this summer, attending a conference, seeing an exhibit, or just having more time to weave, spin and dye.

This year promises to be an interesting and energetic one for PPWG, with a great lineup of programs, workshops, special events and exhibits. New members are welcome and there are many ways to get involved, from volunteering for guild-related activities to joining one or more study groups.

Opportunities to further our knowledge and experience in the coming year abound!

I'm looking forward to receiving more information soon about Colorado Weavers Day 2010, hosted by the Handweavers Guild of Boulder. It's also exciting to have HGA's Convergence just down the road in Albuquerque in July 2010.

See you in September!
