

**Pikes Peak Weavers Guild
Bertha Gray Hayes, Miniature Overshot Workshop
Presented by Cathy Coatney
October 11-12, 2023**

Workshop: Bring to life the wonderful small works of art that Bertha Gray Hayes compiled during her amazing lifetime! In this 2-day round robin workshop, we will all have our looms dressed with designs from the compilation book, *Weaving Designs by Bertha Gray Hayes: Miniature Overshot Patterns*, by Smayda, White, and Schelleng. Using only (4!) shafts, there are some amazing designs we can share! There will be several informative lectures and exercises and woven examples to help understanding this most versatile and easy to conquer two-shuttle weave. Participants will finish with a notebook containing all the drafts and samples from each, as well as additional informative handouts. It's always a great time to connect and enjoy weaving together in the wonderful Carriage House at Julie Penrose House! This workshop is for all weaving levels. This is a round robin workshop. All participants are expected to come with their loom completely dressed, in good working order and ready for weaving. Drafts and instructions will be sent to you prior to the workshop.

Location: The Carriage House at Julia Penrose House.
1601 Mesa Ave. Colorado Springs, Colorado

Cost: The estimated workshop cost is \$140.00 (based on a full workshop of 15 participants). A deposit of \$75.00 is due at registration to guarantee your place in the workshop. The workshop balance of \$65.00 is due at the September 8th guild meeting. The workshop price includes beverages, morning and afternoon snacks, lunch each day and handouts. Our contract with Julie Penrose House does not allow participants to bring in any food or beverages other than bottled water into the facility.

Drafts: Cathy will be sending you a draft and tell you what yarns to use in the warp and weft. These will be sent directly to you. Please respond promptly.

Cancellation Policy: In order to host the workshop, we must have a guaranteed enrollment. If you cannot attend the workshop after registering, we will try to fill your spot from a waiting list. If we do not have a waiting list, it is your responsibility to find a replacement person or pay the workshop fee. If you cancel before the final food orders are made, the price of your food will be refunded.
